President's Message

by Devon Felsted

Hello fellow Kiwanians! We are STILL digging out of the snow and ice. It's been a winter like I've never seen before (I was a tiny tike during the winter of 1969, so I'm not counting that one). I'm still amazed at how many problems the snow has caused this year. But not for us Kiwanians! We only have one more basketball game to park this year. Alleluia! Our heavy lifting is almost over for the next

six months. We got through football parking, the pancake breakfast, and now we're finishing off basketball parking. I am ecstatic. You all were fantastic. Thanks so much for helping us through these major fund-raisers.

But our work isn't done yet. Our club has taken on two new projects and there may be more. We need all the help we can get with these new projects. They are the "Hold the Biggest Food Drive - Aimed at Helping Kids" and "Make Kiwanis Park the Best Park in Pullman" projects. We had several great Kiwanians sign up to assist in each of these projects. Each project now needs a leader to take responsibility to get it going. I want to thank you profusely if you are working to make these projects succeed. Let's keep the momentum going everyone! And we have a few other things that can't be neglected. We have the always exciting and enjoyable Community (Easter) Egg Hunt. Now that's a project that everyone has a great time at. Please be sure to help us put this on for the kids. Also, this April, the Key Club has their convention in the Seattle area which is always a lot of fun for all involved. Let us know if you're interested in helping Suzy Scott help our high school compatriots in their many activities. And we're also getting the Lincoln Middle School's Builders Club off the ground again. Brenda Cox is the Kiwanian in charge and could also use help in this great endeavor. Thank you Suzy and Brenda for helping with these clubs.

Finally, it's that time of year when we are thinking about new blood in leadership positions. We need some new directors on the club's board. Please consider helping us out on the board; it's a lot of fun, a piece of cake, and there are only two meetings per month. Finally, we are looking for someone who will step up and be the club's next Vice-President. This has more responsibility which means you'll have a blast doing it. Now that I think about it, I think you would make an excellent Vice-President of the Pullman Kiwanis Club. So just pull me aside soon and let me know that you want to be the next Veep. I know you can do it, so don't be shy. Be a Kiwanian hero!
