President's Message

by Devon Felsted

Well here it is, late September 2008. My term as President of the Kiwanis Club of Pullman is coming to an end. Kind of like my days in college, my term seemed to go by very slowly, but now that it is ending, it seems more like the blink of an eye. I have to say that it was a lot of fun. It took a dozen years as a member before I agreed to the four year officer trek. Whew! What an educational experience it was for me. The last three years have been an exceptional time. From waking up at 2:00 a.m. on the day I was in charge of the Pancake Breakfast to the crisis at Wilson Road the day they changed the directions the cars parked to the great fun I had at Kiwanis conventions, board meetings, council meetings, and most especially the general member luncheons, it has been a great ride. I would recommend the four year officer trek to anyone. I might even consider doing it all over again in a few years.

Let me say it wouldn't have been possible without all of your help. From the committee chairs organizing and actually holding committee meetings to all of you who showed up at service projects and fund-raisers, you've been critical to helping our club run smoothly. I want to thank Dennis McConnell who would consistently volunteer when no one else was available, Jim Haugen with his incredible knowledge of all things Kiwanian, and Suzy Scott who always gave sage advice and warned me of pitfalls that were looming ahead.

I especially want to thank Frank Farrow for patiently answering my never ending questions about everything under the Kiwanis sun. He was a tremendous help to me during football parking as he would answer the radios and all I had to do was drive around and throw donuts at you all. Frank seemed to be available to take my calls 24/7. Frank also had an exceptional sense of humor (I could tell because he laughed at my jokes). And as long as we didn't talk politics, we always got along great. Thank you, my friend.

So it's time to say good-bye. Please keep up the good work. Remember to ask a friend or acquaintance to a Kiwanis meeting. Help out where you can. Let's keep our club going strong. Here's the baton, Sarah!

It's a Party!!

It's a Party!!

It's a Party!!

A celebration is coming. **HOLD ONTO YOUR HATS.** On **October 9**, we celebrate the Pullman Kiwanis. Yes that's all of us...those who have been here before us, those here now, and those who have yet to come. And the latter two groups will have specials emphasis. So, get on the phone and call your best friends and invite them to the party. If necessary, give them a lift, and offer them lunch. We're on the move and the more the merrier.

As an added gift to our party, our program will be a presentation by Lori Bryant, Immediate past Governor of the Pacific Northwest District, advisor to CKI in the District, and eminent Kiwanian specializing in the education and training of Lt. Governors and the membership at large (the hows and whys). Be at that luncheon meeting on October 9 or you're apt to miss a great deal. And bring a guest(s). See you there.

Thanks. H. Copp, Co-Chairman Membership Committee
